

For our guests:

SANITARY PROTOCOL

ROOMS

- 1**

All of our rooms contain independent A/C units.
- 2**

We will work with 50% of our total capacity.
- 3**

All rooms will have a minimum of 24 hours of being disinfected before we give access.
- 4**

We always disinfect locks, remote controls(A/C ,TV) and light switches.
- 5**

Mini bar products will be handed over at check in at customer request.
- 6**

Room cleaning will be guest's decision: daily, every 2 days, once during his stay.

GENERAL PROTOCOL THROUGHOUT THE HOTEL

Our staff wears protective masks for your safety

We have stations of alcohol gel in different areas of the hotel

Floor signs indicating the safe distance between guests

We have a jewel free policy. None of the staff wears them during service.

All the staff has been trained with the sanitary protocols of prevention and safety
